How the Club works

Abingdon Fencing Club meets throughout the year on a Thursday evening in The Gym at Larkmead School, Faringdon Road, Abingdon, OX14 1RF.

The junior section meets between 7:00 and 8:00 and adult section starts at 8.00. The adult session starts with a footwork and warm up session run by one of the coaches, this is followed by open fencing till 10.00pm.

All weapons are fenced within Abingdon Fencing club and the club has a number of electrical scoring equipment for members to use. All members are encouraged to help set up the equipment at the beginning of the evening and pack away at the end. The majority of club evenings are 'free play' against other fencers; usually on a first to 5, 10 or 15 hits depending on how busy the club is and how energetic you feel! Please help referee bouts if you're able and are not fencing. On occasions the club will arrange friendly competitions or matches against other local clubs. These will be advertised by email and on club nights.

The club has a wide range and variety of members, from beginners to advanced members. The club encourages beginners to fence other club members after the course finishes which will help you put into practice the skills which have been learnt from the course. If you're unsure about anything please ask.

Fencing Equipment

After completing the beginners course members are able to continue to borrow club equipment, but preference must be given to any courses which the club may be running. New members are encouraged to purchase their own equipment.

The basic kit required consists of the following:-

Mask, Plastron (Must be 800N/CEN level 2 for electric fencing), Jacket, Glove, weapon (connecting cables if electric fencing) and breeches. More advice regarding equipment required can be obtained from the coaches or one of the more experienced fencers. **Beginner kits are available to purchase and there is cost saving to made by buying one of these kits. Links to fencing kit suppliers are available via our website <http://abingdonfencing.org.uk/more.htm>**

Tracksuit bottoms can be worn for the beginner's course and for non-electric fencing. Any pockets must either be sealed either by buttons, zips, sewing closed or taped, as this will prevent fencing blades from being caught up and potentially causing an injury.

Coaching

Four week Intermediate and Advanced Courses

Novice Epée and Sabre course

This 4 week course introduces the fundamentals of fencing with Epée and Sabre and is aimed at relatively new fencers who want to try out these weapons.

Four week Intermediate and Advanced Courses

Intermediate courses are run throughout the year are intended to extend the skills of existing fencers. Our coaches will set the program for the course depending on the mix of abilities in the group. Fencers taking part in one of the weapon coaching groups should have completed one of our beginners' courses or have an equivalent level of experience.

Courses cost £5 per person per night in addition to club membership or visitor fee and is payable in full at the start of the course.

Individual lessons

Our coaches are available for lessons during the second half of the adult fencing session. These are offered as a private arrangement with the coaches and cost around £10 for a 20 minute lesson.

Juniors

Junior fencers usually fence within our junior class which runs from 7:00 to 8:00pm. The more experienced members of the junior class can stay on and fence in the adult section if the coaches feel they are of a sufficient standard. There is no extra charge for this if they have paid for the junior class. The number of spaces in the junior session is limited as we must maintain an appropriate coach to student ratio; if you know of a junior who wishes to start fencing then please speak to a committee member who can put them on the waiting list.

Competitions

Abingdon Fencing Club encourages its members to take part in competitions. Competitions provide fencers with the opportunity to meet and fence new people, and there's always a competition to match your age and experience.

In order to compete you need to be a full member of the British Fencing (BF). BF membership lasts for a year from the date of joining and allows you to compete in any domestic competition.

For information on BF membership, including current subscription fees and benefits, please visit <http://www.britishfencing.com/membership> .

Please talk to the match secretary for more information about local and national competitions.
